

Preschool Gate Access Agreement

- Vehicle access inside the interior gate is a privilege
- The speed limit inside the gate is 5mph
- Students always have the right of way
- Drivers must assume there are children present at all times and be alert
- The gate code is confidential and should not be shared with anyone. Treat it as you would treat your ATM PIN.
- See classroom postings for current drive through times.

I have read & agree to the terms above and understand that not abiding by them will result in my no longer being allowed to drive through the interior gate.

Parent Name

Parent Signature

Date

Please list all vehicles that will access the gate.
